Dear Sir,

APPLICATION: TIC/2020/0191
PROPOSAL: Application to fell one Willow tree located within Hurstwood Conservation Area.
AT: Ivy Cottage, Hurstwood, Burnley

I refer to the above-mentioned notification of intention to fell a tree within the Hurstwood Conservation Area.

I can confirm that the Willow tree is not suitable for protection by a Tree Preservation Order and therefore the tree can be felled. I understand that the tree is not located on land owned by the applicant therefore he needs to be certain he has the authority to fell the tree before doing so (the Council can grant consent to fell the tree but cannot give the authority to fell a tree on land not owned by the applicant).

The felling of the tree should be carried out to British Standards.

Please contact me if you require any further information.

Yours faithfully

Lesley Blakey
Planning and Compliance Officer
