[**CAUTION**: **This email originated from outside of the organisation.**]

Dear Jonathan
I have reviewed the above planning application for the building of a dwelling at the rear of 393 Burnley Road, Cliviger.
The access lane to this property will be down the lane along side the Ram Inn which is also a bridleway /footpath BW1204117.
This lane forms part of The Burnley Way and leads up onto Deerplay Moor and Thieveley Pike.
It forms part of routes for local rambling groups and individual walkers
Therefore, as long as this lane remains open for safe passage along it, at all times, then I would have no issues with this Planning Application.
Yours Sincerely
John Lofthouse
